

Scoutmaster Minute

Check It Out...

This is going to be a new addition to get information out that otherwise is sometimes missed. I hope to give information about outings, what's new with the troop and hopefully answer questions that many parents and scout have about 794.

Reminders...

DRESS CODE

Since we are now past the May COH you are now allowed to wear your Class B's. Please remember that in Troop 794 we DO NOT wear sport shorts, flip-flops/open-toed shoes and other non-scouting approved apparel.

BSA POLICIES

Over the course of the next few weeks I will be sending some links that will contain official BSA policies that have changed. It is important that we have the correct information and not rely on what is reported through various other sources that come from the internet. That being said we will continue to operate as we always have- a boy led troop for boys.

SUMMER CAMP

If you are going to summer camp don't forget all monies are due by May 24. Also, all paperwork needs to be turned in by May 31. If you do not know what paperwork I'm talking about, please email me and I will send/resend you the list.

SCOUTMASTER VACATION

I will be on family vacation so will not be in attendance on May 31 or June 7. Jason Sunahara will fill my shoes on the 31st and Matt Farr on June 7.

UPCOMING EVENTS...
