

Mining in Society Merit Badge

Mining is one of the most important industrial processes in modern society. We rely upon mining products every day: the cars we drive, the homes we live in, the computers and smart phones we use, even our toothpaste and food contain mineral products. If it can't be farmed or fished, it has to be mined.

Earn the **Mining in Society Merit Badge** and learn much more.

National Youth Leadership Training (NYLT)

At Big Horn, Tahosa High Adventure Base

What is National Youth Leadership Training?

National Youth Leadership Training (NYLT) at Big Horn is an exciting, action-packed program designed for councils to provide youth members with leadership skills and experience they can use in their home units and in other situations demanding leadership of self and others.

The NYLT at Big Horn Course is leadership training experience sponsored by the Denver Area Council and held annually at Tahosa High Adventure Base near Ward, Colorado. The training is conducted by highly qualified youth staff under the supervision of adult advisors.

The course models a month in the life of a unit. The training consists of six days of Scout activities culminating in an overnight outpost camp.

For more information please contact or email [Colette Kinnard](#), 303.570.9372 or [Bill Van Home](#), 303.870.4375. Additional information from Assistant Camping Registrar [JoLynne Conrad](#), 720.266.2143.

Who Should Attend NYLT?

Any Scout/ Venturer seeking to improve their leadership skills. These skills will apply to scouting and other situations

Eligibility Requirements

In order to attend an NYLT course, a youth must have the following qualifications by the beginning of the course:

Boy Scouts

- Must be 13 years of age and have not reached their 18th birthday
